To Whom It May Concern,

Subject: Certificate cum Letter of Recommendation for Mr. Hardik Arora

This is to certify that **Mr. Hardik Arora** successfully completed a **two month internship** at **Yantrapragya** as an **AI Engineer Intern**, from **10 May 2025 to 8 July 2025**, under my direct supervision.

During his internship, Hardik contributed to one of Yantrapragya's core research initiatives in **AI for health diagnosis**. His role involved developing deep learning models for disease detection, working on real-world healthcare data, and implementing intelligent solutions aimed at enhancing diagnostic accuracy and reliability.

He primarily used **TensorFlow** for model development, and actively employed tools such as **Pandas**, **NumPy**, **OpenCV**, and **NLTK** for data preprocessing, analysis, and image/text-based tasks. Hardik demonstrated a sound understanding of AI principles, medical data handling, and problem-solving in healthcare contexts.

Throughout his internship, he exhibited professionalism, dedication, and a genuine passion for AI-driven impact. His technical acumen, eagerness to learn, and ability to work both independently and within a team made him a valued contributor to our project.

As the CEO of Yantrapragya and a Data Scientist, I found Hardik to be diligent, curious, and highly capable. I confidently recommend him for any future roles or opportunities in AI, especially in the domain of healthcare and diagnostics.

Warm regards,

Aaryaveer Rathi
